Register for 4-H Summer Camp!

Are you longing for sunshine filled summer days? Are you looking for something fun to do this summer? Would you like to make some new friends? Parents and children alike may be wondering what lies ahead for the summer months. 4-H Summer Camp at Camp Bird is going to be just the place for you. UW-Extension and the 4-H Leader's Association are sponsoring a summer camp at Camp Bird in Crivitz, WI.

Summer camp is geared toward 3rd-6th grade students and is going to take place June 14th-17th, 2017. The cost of summer camp is \$135.00 for 4-H members and \$155.00 for community members not currently enrolled in the 4-H program. We never want cost to be a reason someone does not participate in summer camp. Camp scholarships are available through a generous gift from the

Mike and Sue Smullen family. For more information on camp scholarships, contact Jill at (920) 388-7185

Summer camp is four days filled with camp activities like waterfront, nature, teamwork, campfires, group games, and arts and crafts. Camp is set in the beautiful Northwoods with its own lake. Get ready to have fun, meet new friends, and learn about nature, arts & crafts, group games and more!

Space is limited and will be filled on a first come, first served basis. More summer camp details are available in the registration brochure. Registration materials are available through the Extension Office, through 4-H club leaders, and online at <http://kewaunee.uwex.edu> and are due by May 5, 2017.

This spring, 4-H is asking alumni to raise their hands!

We're supporting 4-H because we believe every child deserves the chance to succeed. If you're a 4-H alumni or know someone who is, we're asking for your help in spreading the word. Together we can help 4-H provide the hands-on learning that empowers kids across America with the skills to handle what life throws at them.

It's easy:

1. Raise Your Hand: Go to www.4-H.org/RaiseYourHand to show your pride as a 4-H alumni.
2. Compete for Your State: Raising your hand is a vote

towards a \$20,000, \$10,000 or \$5,000 award for the states with the most alumni hands raised.

3. Pay It Forward: Tweet, post and share your #4HGrown experience or support and tag fellow alumni asking them to raise their hands for their state at www.4-H.org/RaiseYourHand.

Help kids learn responsibility, compassion, respect and the value of hard work by supporting 4-H. Together we can grow the next generation of true leaders.

Reminder: Attend your four club meetings by May 31st

As a reminder, to be a member in good standing in Kewaunee County 4-H and show as a member at the Kewaunee County Fair, you need attend four club meetings by May 31, 2017 and maintain your member expectations that you signed when you enrolled in 4-H. Club meetings and project meetings are separate. Project meetings do not count toward your club meeting total. Members that are not in good standing will not be able to participate as a Kewaunee County 4-H member in the Kewaunee County Fair, WI State Fair, 4-H Leadership Trips, and other similar experiences.

Most clubs have nine to twelve meetings a year. Therefore, even if you have to miss a few meetings due to other activities (work,

practice, sports, etc.) there should still be an ample amount of meetings for your family to attend and meet this requirement.

The exception to this requirement is for youth in grade 13 (college) because it is understood that those members may not be able to make it back to the county on a regular basis to attend monthly club meetings. However, they should remain as involved as possible during that time. In addition, grade 13 members are still expected to meet all of their project area requirements if they would like to show that project at the Kewaunee County Fair.

If you are wondering how many meetings that you have attended this year, please contact your club leader.
