- Walechka Farms
- Wavrunek Family Farm

What is a LANDMARK FARM?

A LANDMARK FARM is farm located in Kewaunee County or the adjoining townships of the adjacent counties of Door, Brown, and Manitowoc, which choose to be a sponsor for Kewaunee County Farm Technology Days 2017. It is a working farm, producing agricultural goods. Dairy, livestock, cash grain, vegetables and specialty farming of all sizes and scales make up the diversity of Kewaunee County's agricultural landscape, which we want to celebrate.

Whether large or small, whether the farm has been in your family for a short time or a lifetime, we want to offer you this limited time opportunity to have your farm and family's name associated with this great agricultural showcase.

If interested in becoming a LANDMARK FARM please contact the Kewaunee County UW-Extension office at 920-388-7141 for more information.

Each sponsoring farm will receive the following:

- *LANDMARK FARM signage award that will be presented during the Kewaunee County Farm Technology Days
- *2 FREE Kewaunee County Farm Technology Days tickets
- * Your farm name displayed on the LANDMARK FARM sign to be located within Kewaunee County thereafter
